Dear Applicant,

Thank you for expressing an interest in Artisans Northwest of Thunder Bay. Over the years, Artisans Northwest has grown to be Thunder Bay's largest and oldest juried art and fine craft organization and is governed by a Constitution. Artisans Northwest provides a professional outlet for more than 80 artisans with one major show each year.

We are always looking for new members who create unique and quality work. Before membership is offered to you, a Selection Committee must jury your work to ensure that the work meets the standards of creativity, originality, and workmanship. In some cases, even though your work is acceptable, we may have a number of artisans doing very similar work. If the category is considered full, we would not jury your work and would invite you to reapply in the future.

If your work is accepted, you will be offered membership into Artisans Northwest. We also require that you participate in our Artisans Northwest Art and Fine Craft Show, which is held annually in November. Once you have completed the Membership Application Form and paid your annual membership fee, your membership is then activated. Membership is renewed annually. Once you are a member, you do not have to have your products juried again unless you wish to submit work in a different medium, add new products that are substantially different from the current ones, or you do not renew your membership and wish to reapply at a later date. Please take the time to review the attached information and do not hesitate to contact me directly if you have any questions or concerns.

We look forward to meeting you and seeing your products.

Yours truly,

Susan Wright-Cassan
Selection Committee Chairperson
Artisans Northwest

Jurying Location: will be stipulated one month before the jury date

Please bring 3-7 original works in your selected medium that you wish to have reviewed by the Selection Committee. These works should be brought to the jury location at the drop off time. You should be prepared to arrange an attractive display for jury purposes. Please ensure that you have representative samples of the entire price range of your work.

If it is not possible for you to bring items in personally, please arrange to have a family member or friend bring and setup them up. If you live outside of Thunder Bay, you may send detailed photos, (JPEG please) to me at the address below. Please ensure that they are securely packaged. If you wish them to be insured, it is your responsibility. Please also ensure that you enclose return postage. Thankyou.

Drop Off Time: 6:30 p.m.

Pick Up Time: 8:30 p.m.

Information for the Prospective Member

For our purposes, medium* is defined as '*the mode of artistic expression*'. You must submit at least 3- 5 original works in your selected medium. High quality digital images are acceptable, but actual work is preferred. It is easier to judge quality and workmanship with an actual product. Images must include close-ups, or you take the chance of their not being considered. We must be notified in advance if you are submitting images so that we can arrange to have the appropriate equipment available.

We also require some background information on you and your work. The enclosed Jury Application form must be filled out completely and sent with your jury application fee. Please send two checks or etransfers, one for \$15.00 and the other for \$30.00. The first payment is the non-refundable jury application fee. If your work is accepted, the cheque for \$30.00 pays for your membership for the year. If your work is not accepted, the payment for \$30.00 will be returned to you.

Please note that:

- The work must be the result of an original idea, interpretation, and design.
- Items assembled from kits are not acceptable.
- No products that are a direct copy from a pattern are allowed.
- No reselling of other people's products is allowed.
- Items using found objects are only acceptable when the found objects have been transformed with creativity and technical proficiency to form a new entity and are acceptable to the Jury.
- Items made from commercial molds, patterns and findings are not acceptable unless
 - a) the original mold is the design and product of the craftsperson
 - b) the commercial mold, pattern, or finding is subordinate to the design and is acceptable to the Jury.
- All scented products must be individually wrapped, except for one sample of each.
- Any items that have not been accepted by the Selection Committee and are for sale at our show will have to be removed (unless that product is strictly for enhancement/display purposes only).
- Assistants involved in the creation/design of the product are also required to be juried and pay a separate membership fee.

Artisans Northwest Membership Information

Once you become a member of Artisans Northwest, it is required that you participate in our Arts & Fine Craft Show, which is held in November. You will be provided with an application form and information regarding the show. You should be aware of the following information:

- Personal liability insurance is advised.
- It would be advisable to have a range of prices.
